Rosen College Announces Fall Dinners, Brunch, High Tea

ORLANDO, Aug. 26, 2009 – Back by popular demand, Rosen College students are cooking up delicious dining experiences that won't break the bank.

At the University of Central Florida's Rosen College of Hospitality Management, a unique program is teaching students to create a restaurant from scratch.

For five events this semester, the public is invited to gourmet dinners, a brunch and high tea at the college, near International Drive. Each menu and meal -- along with the dining area -- will be created and managed by students.

Called the Distinguished Chefs Series, the program is part of an Intermediate Food Preparation course taught by Professor and Certified Executive Chef Vivian Ray.

The first meal of the semester will be Thursday, Oct. 1, presented in the Rosen College's Disney Dining Room. The other dinners will be held Oct. 21 and Nov. 5. Seats for each dinner are \$17.50 per person.

For Sunday brunch fans, an all-you-can-eat buffet will be held Sunday, Nov. 15. The brunch runs from 11 a.m. to 1 p.m. and is priced at \$22.50 per person. This will also be held in the Disney Dining Room.

New this semester is a High Tea on Saturday, Dec. 5 in the Disney Dining Room. The High Tea runs from 2 to 4 p.m. and is priced at \$25 per person.
