

Disney is pleased to offer a variety of University of Central Florida (UCF) bachelor's and master's degrees through Disney Aspire!

A couple reminders:

- Disney Aspire is the education investment program for hourly employees at The Walt Disney Company. Disney Aspire pays 100% of tuition up front at a network of schools and reimburses required books and fees. US-based Regular Full-Time Hourly and Regular Part-Time Hourly employees and Cast Members are eligible for the program after 90 days of employment at Disney.
- **All Disney Aspire applicants should apply at Aspire.Disney.com. Do not apply directly through the UCF site.**
- Currently, only eligible Cast Members that meet UCF's instate residency requirements are eligible to enroll.
- The programs below are eligible for full tuition coverage through Disney Aspire beginning **August 26, 2019**.
- If you currently attend UCF, or if you graduated from UCF in the past, you do not need to submit unofficial UCF transcripts as part of your Disney Aspire application. **Contact a Guild coach for instructions.**
