

CERTIFICATE IN THEME PARK AND ATTRACTION MANAGEMENT

UNDERGRADUATE CERTIFICATE
PROGRAM

ROSEN COLLEGE OF HOSPITALITY MANAGEMENT ■ UNIVERSITY OF CENTRAL FLORIDA ■ ORLANDO

About the Program

The Undergraduate Certificate in Theme Park and Attraction Management is a specialized track of study for those interested in careers in the theme park and attraction industry who are not pursuing a Bachelor of Science in Hospitality Management. Students taking any major across UCF can take advantage of this certificate to gain a competitive edge in the industry.

Choose the Undergraduate Certificate in Theme Park and Attraction Management if you are pursuing any other degree at UCF except the Bachelor of Science in Hospitality Management. This option is 15 credits that can be added on to a current degree. No internships are required, but it is suggested that you gain work experience in the industry in addition to the certificate. This option is especially beneficial for those pursuing non-management aspects of themed entertainment, for instance design or engineering.

Those seeking a career in the theme park and attractions industry will find a variety of options that will lead to exciting opportunities in this fun and emerging industry. UCF Rosen College has two programs in theme park and attraction management, as well as industry internship, management shadows, site visits, and guest speakers. Finally, there are extracurricular organizations related to theme park professional development including the Future Theme Park Leaders Association (FTPLA) or TEA NextGen UCF.

Graduates advance into management and leadership positions at the local, national, and international theme park and attraction industry. Many of our alumni work in various roles in management, consulting, or research.

Requirements

15 total semester hours with minimum grade and average GPA requirements:

- 9 hours required courses, 6 hours restricted electives
- No course grade lower than a C will be accepted for the certificate requirements.
- The average GPA for the four courses must be 3.00 and higher.
